

Trinity Methodist Church
Information for people wishing to use the Church premises
Effective 1st July 2017
(Updated 1st August 2022)

Introduction

Thank you for your interest in hiring a room(s) at the Church. We are a welcoming congregation and we believe that allowing people to use the premises is part of our outreach to the wider community.

This pamphlet explains some of the conditions and legislation that we must comply with when we allow people to hire our premises.

Trinity Methodist Church holds a Premises Licence in accordance with the Licensing Act 2003. This Licence stipulates the kinds of events that may take place on the premises and those that may not. A copy of the licence is on display in the hall.

The Church property is held in accordance with the Model Trust of the Methodist Church [Methodist Church Act 1976]. Under the Model Trust, the use of the premises is constrained in a number of ways. In particular, there is a ban on the following:

- a) the supply, sale or consumption of intoxicants [Standing Order 922]. This means any intoxicating substance, including alcohol
- b) Smoking is not permitted on any part of the premises [Standing Order 923.
- c) Gambling is not permitted on any part of the premises [Standing Order 924].

Local modification: see below

The Managing Trustees (the Church Council), exercising their discretionary powers, have agreed that raffles, numbered admission tickets in return for a prize and tombola are permitted, provided that (i) there are no cash prizes; (ii) no prize exceeds the value of £10; (iii) no alcoholic prizes may be offered.

Copyright licences

The licences that the church holds cover church based groups only. The licences do not cover those who hire the premises and who might play music, show videos/dvds, copy material, etc, which is protected by copyright.

The onus for complying with copyright law for people hiring our premises lies with the organisation or individuals themselves, NOT with the church.

Cancellation

- a) Please note that very occasionally, the whole of the premises may be needed at short notice (e.g. for a funeral). In this case we may need to ask you to delay or cancel your meeting. Our liability will be limited to refund of the hire fee.
- b) If you have to cancel a meeting, the level of refund of the hire fee depends upon the amount of advance notice – see table

Notice Given	Amount of refund
Greater than 3 weeks	100%
1-3 weeks	50%
Less than 1 week	0%

Care of the premises, contents and equipment

We expect you to take all reasonable steps to ensure that you do not damage or spoil the premises, its fittings or contents. **We expect you to have insurance cover (usually your organisation's or household policy, but check that it provides the cover you need) to make good any damage, however caused, as a result of your occupation of the premises.** You are welcome to rearrange the furniture for your own needs, but it is your responsibility to put it back as you found it.

The Church does not accept liability for any loss or damage to property you bring on to the premises.

No additional equipment, electrical or otherwise may be brought onto the premises or used without permission of the Bookings Secretary at the time the booking is made. The Church does not accept responsibility for any claim or consequent loss suffered by yourself or any members of your party following cancellation of the event for whatever reason.

Should any damage be caused, the hirer is responsible for the full cost of making good the damage.

Times of hire

When you hire a room(s), we expect that the time from which the rooms are hired and the time of vacating the premises shall include setting up and clearing away time.

Payment

Payment is required, when possible, at least 2 weeks before the booking date. A £50 deposit is required if the you are using a bouncy castle or other large equipment.

For regular bookings, invoices are sent monthly/quarterly depending on the frequency of hire. **If payment is not received within 2 months of the invoice date, Trinity Methodist Church reserves the right to suspend your booking until the balance is paid.**

Bouncy Castles

You must ensure that when hiring a bouncy castle the company holds all the correct insurance and relevant documentation ready for inspection on the day of your event. This includes PIPA and RPII testing along with proof that **ALL** equipment is PAT tested, including extension leads. The company **MUST** be a member of the British Inflatable Hirers' Alliance and have public liability insurance.

From past experience, Bouncy Kings and Bouncing Buddies are the most reputable hirers. However we do not endorse any specific company and you must check that all relevant documentation is held.

Crash mats or an inflated area should be supplied and placed outside the bouncy castle to avoid injuries. We do not accept liability for any injury, howsoever caused, by the use of these structures. There must be an adult present, monitoring the children at all times.

Interfaith

We welcome those of other faiths and none to use our premises. We seek to be open to all. However, in line with our legal obligations under the Methodist Church Act and the policies of the Methodist Church, we are unable to offer any part of the venue to be used for Religious Ceremonies other than Christian ceremonies undertaken by Methodists or their partner denominations.

The Minister of the church will use discretion to determine the application of this restriction.

Food and Catering

The Church has the facility to offer hot and cold food for meetings, children's parties and other events by prior arrangement with our Café Manager, Michael, on 0116 2717575.

You may provide your own cold snacks or sandwiches should you prefer, but in order to comply with Environmental Health requirements we cannot allow the preparation, reheating or serving of hot food other than by our Catering Staff. This means that no food heating equipment may be brought on to the premises. **Following an event that has involved food, the kitchenette must be left clean and no food residues left on the premises.**

No food may be taken into the Church Worship Area.

Waste disposal

You are required to take your waste & rubbish away with you.

Cleaning

You will be shown where basic cleaning equipment (brushes, dustpans etc) is kept. This should be used for cleaning up any spillages. You are not expected to vacuum clean after yourselves.

Other users of the premises

You may only use the rooms and facilities you have reserved. Other people may be using some rooms at the same time. You are asked to respect the space occupied by other users.

Health and Safety

Under the Health and Safety at Work Act 1974 it is your duty to take all reasonable steps to ensure your safety and that of those attending your event. The Church is not liable for any injury sustained during the course of the hire.

If anyone has an accident on the premises it must be reported by the group leader or anyone who witnessed the accident. The first aid pack is located in the kitchenette along with the accident report book and the RIDDOR booklet. Any accident that takes place on the premises must be entered in the accident book. The RIDDOR booklet deals with "reporting of injuries, diseases and dangerous occurrences regulations". Any such incidents (particularly when hospital treatment is required) must be reported to Oadby & Wigston Environmental Health Division, Council Offices, Station Rd, Wigston, Leicester, LE18 2DR. The booklet contains the necessary form.

Fire Alarm

The whole of the premises are protected by a fully integrated fire alarm system. In the event that the alarm is activated ensure that everyone leaves the building by the nearest fire exit and assembles on the East Street car park. If the alarm has been activated but no fire found, please contact the Minister to re-set the alarm. If a fire is detected, contact the fire service by dialling 999. Inform the key holder that the alarm has been activated.

You must make yourself familiar with fire exits before your event begins and ensure that all fire exit doors are unlocked.

Creating Safer Space: Safeguarding Children and Vulnerable Adults

Under the Children's Act 1989 and the guidelines of The Methodist Church policy "Creating Safer Space" it is your responsibility to ensure that you abide by your own organisation's child protection or safeguarding policy if you have one, otherwise by that of the Church's Safeguarding Policy. The

Trinity Methodist Church, Oadby
Guidance for hirers of the premises

church policy may be viewed on the notice board in the hall, or can be requested in electronic/paper copy.

Opening and Closing and securing the premises

- If the Church key holder opens the premises, he/she will check that they are secure, clean and at a suitable temperature.
- If you open the premises, you should check that the rooms are as expected. It is in your interest to report anything which is not as expected to the Bookings Secretary; otherwise it may be assumed that you were responsible.
- If the Church key holder locks up the premises, he/she will ensure that the premises are secure and that no unnecessary utility services are left running.
- If you lock up the premises, it will be your responsibility to ensure that the **premises are secure, that no-one is left on the premises, that toilets are checked and that no unnecessary utility (gas, electricity, water) services are left running.** Any damage caused by a failure to close down the premises correctly will be your liability.

As a condition of hire, the hirer must sign the section entitled “BOOKING HIRE AGREEMENT” in the bookings request form to signify their acceptance, and willingness to abide by these conditions.
